Buzz Sutherland is a man who is sincerely and seriously committed to entertaining audiences with humor that is 100% clean and 200% funny. Buzz has been at the very top of the college comedy world, winning Comedian of the Year honors a record 16 times.

Whether delivering his popular keynote, "It's All About Family" or his hysterical after-dinner comedy show, his smooth blend of home-spun characters and outrageous facial expressions keep audiences rolling with laughter. Buzz Sutherland's style of comedy is contagious, as he plays with the audience rather than talking to them. Some of the audience members literally become part of the show! Having performed for many of the top corporations and associations in the world, Buzz's ability to be funny without being offensive, make him a no-brainer for any event.

As one meeting planner put it, "A number of our attendees told us they have never laughed so hard. One person even told us he laughed so hard his face hurt." What else can be said...Buzz Sutherland is FUNNY! Whether you need after-dinner entertainment, an awards banquet emcee, or just someone who will make your audience laugh until they cry, Buzz Sutherland is the solution. Buzz has been named "Comedian of the Year" a record 16 times by America's Colleges and Universities and has been nominated "Best Comedy Show" by *American Entertainment Magazine* for the past two years in a row.
