The mind, mirth and mystery of Jon Stetson has made him a Most Valuable Player at thousands of corporate events. Jon is a third-generation entertainer whose intelligent, interactive approach to entertaining places him on an exclusive list of corporate America's most sought-after performers. He makes his home on the South Coast of Massachusetts, but can bring his portable, powerful, thoroughly professional brand of performance art anywhere in the world.

This internationally acclaimed mind reading comedian will make you laugh, make you think, make you feel like an awe-struck kid.

But mostly, he'll make you look good. Because with his unique brand of sleight-of-mind entertaining, Jon Stetson livens up a room like no one else. And he'll work with you to deliver exactly the right tone and material for your conference, trade show, or meeting. Jon began as a magician, but moved beyond the traditional tricks and props of magic to explore the real mysteries of the human mind. Call him an "intuitionist." He observes people's patterns and steps inside their heads. He amazes them with information they didn't even know about themselves. He engages people in a psychic partnership that makes them the real stars of the show. Together, Jon and your guests do the impossible.

The result is powerful, provocative, thrilling and new. Better still, it's funny. Jon's stand-up comedy covers a core of mystery in an uproarious wrapper of fun. And your guests get a real gift-an awesome package of entertainment unlike anything they've ever experienced.

What exactly can Jon Stetson do for you? What exactly do you need?

Jon has a vast menu of proven options that he can arrange, change and reinvent to suit your event. Want to introduce a speaker in an astonishing way? Jon can do that. Want to ignite audience participation? Jon can do that. Want to inject a serious note, or make 'em laugh till they cry? Jon can do that, too.
